New This Year!!

MAJOR CONSTRUCTION ON HWY 281 – TXDOT is expanding 281, but construction will not be complete before LJT. Please note the reduced speed limits and, if possible, take the alternative route on Hwy 108.

#SafeLJT ARMBANDS – a reminder to look out for each other at LJT, get your FREE armband at merch, or if you are riding on the Jesus Bus, they will have them available.

NEW FRONT OF STAGE ARENA – the first 40 feet in front of the stage is now fenced and gated, limited to soft sided coolers only (holding no more than 144 oz or 12 x 12oz drinks). This is for the safety of our artists, spectators, staff, and equipment, and is intended to eliminate the throwing of full beer cans at the stage. As always, **no tossing, throwing, hurling, slinging, chucking, pitching, launching, casting, darting or flinging of any items at the stage. Violators are subject to removal from the festival, arrest, and \$1,000 fine.**
